Notes for WILLIAM WATERS:

1851 Census HO107 1626 F424 P10 Union Workhouse, Faversham
William Waters b. 1779 Egerton

I am assuming this is Williams father - reason: Charlotte is in the workhouse with her mother and brother, so it seems likely that William met her when visiting his father !

1851 Census HO107 1626 F577 P40 Teynham

William b.1826 Lynsted

Mary b.1848 Tenham

As William did not marry Charlotte until 1852 it suggests that William was previously married or he had a daughter out of marriage.
